

## CONFIRMATION & CANCELLATION

A confirmation notice will be sent to you within 10 days of receipt of your registration form and full payment. If you do not receive your confirmation within this timeframe, please contact us at 780-498-3363.

**Cancellations/Substitutions:** Registration cancellations received up to 5 business days prior to the workshop are refundable, minus a \$25 cancellation fee. After that, cancellations are subject to the entire workshop fee. Please note, if you do not cancel and do not attend you are still responsible for the entire registration fee. Substitutions may be made at any time.

# 2010 Modified Duty Workshop

## WORKSHOP

This half-day workshop will assist employers with their development of a modified work program.

Worksite based interventions, such as modified duties, are the most effective and efficient way to manage injury related costs and to assist injured workers to return to work quickly and safely. However, identifying modified duties or knowing what steps to follow when designing a return to work program can be difficult. This half-day, interactive workshop is designed to provide:

- the framework and tools needed to develop, implement or improve a modified work program
- guidelines and tools to assist in the return to work of an injured employee
- ideas and examples of appropriate modified duties

The small group setting allows for great discussion, interaction and case study review. Attendees are encouraged to share their workplace issues and challenges related to modified duties.

Please Note: additional onsite Modified Duty Consulting services are available upon request. Ask us for details.
